

Your new USB Debit Chip Card has arrived! Here are some tips on what to do next:

1. Follow the instructions to activate your new card as soon as it arrives.
2. Update your **USB Debit Chip Card** information with every vendor, merchant and service that bills your card automatically. Common recurring transactions are listed below.
3. Review your statements to identify any others you might have missed.
4. Once you have activated your new **USB Debit Chip Card**, destroy your old card; it is no longer valid.
5. Enjoy the added security your new **USB Debit Chip Card** provides!
